1. Call to Order:
10:06 AM by Dana
2. Old Business
 - a. Centralized CAD Update – Dan Ausec
Upgraded the system. Testing it for changes and functionality.
Noted issue with updating GIS data in the test system. Will see GIS updates in the training system. Still working with Central Square to resolve the final engineering issue.
 - b. Equature – Ben Gairrett
Problems over past few weeks weren't due to problem with Equature. This was actually a problem with Dell Hardware. Most of the data has been reimported. If you find a call that is not playable, it may still be importing. We have ordered a second cluster server to combat issue from happening again.
 - c. Everbridge – Ben Bills

Working on templates before Wildland Fire season. Also working on WEA test. This will be an opt-in test.

d. TACMAP – Dan Ausec

TACMAP 2.0 is being tested right now at Ft. Carson. New features includes traffic flow layer, AVL data, and incident layer. Mirrors GEO, but is a stand alone version.

e. PSAP Wellness – Dan Ausec

Continuing work with Status Code 4 Inc. Email was sent about Assist Suicide Prevention class hosted at Authority on June 1-2, July 17-18, August 4-5. Resilient First program app that includes daily training – will be presenting to core team soon.

3. New Business

a. ProQA Update – Ardelle Grima

Update releasing June 22nd. Training will be out by June 8th. This includes Advanced Compressions Monitor as well as changes with EFD and EPD. Chris with IT will be doing the update. Contact Ardelle with any questions.

b. Conference Travel – Joscelyn Niski

In order for conferences to be booked, we will need a written document from your direct report (Chief/Sherriff) allowing travel for the PSAPS. Navigator is July 13-15 in Las Vegas also offering a virtual option. NENA is July 24-29 in Columbus, OH. APCO is Aug 15-18 in San Antonio. Contact John if requesting attendance.

c. June CTO Roster – Ardelle Grima

CTO is June 16-18. Please email John with names of who will be attending.

d. PulsePoint Update and Introduction – Stacey Magnuson

Working with John and Dr. Bronsky on PulsePoint AED and app. 30 approved AEDs right now and 60 pending. Will be reaching out to PSAPs for AED registries to enter in our system. Ardelle – This is

integrated into ProQA and it will prompt call takers to ask about the AED in the area.

- e. Vote on Telecommunicator of the 2nd Quarter
Nominees are Derek Mitzner, Candi Maska, and Emily Van Lienden.
The winner is Derek Mitzner with the extrication call!

4. Round Table

- a. Ardelle Grima – It's reaccreditation season! Work on Response Plans. Will also be contacting Dr. Bronsky to sign a few things as well.

Meeting adjourned by Dana at 10:30 AM
