

El Paso – Teller County Enhanced 9-1-1 Authority Board

Number: 5.5

Date Issued: March 23, 2005

Date Effective: March 23, 2005

Subject: Procedure for PSAP Instructors used for the Fire and Police Protocol

Policy: The El Paso – Teller County Enhanced 9-1-1 Authority shall allow a standardized procedure when using fire and police protocol instructors who teach Authority sponsored classes.

Purpose: To provide a procedure that can be followed by all involved parties.

Procedure:

- (1) All police and fire protocol classes will be scheduled by the Dispatch Protocol staff member.
- (2) Instructors from various agencies will be scheduled to instruct classes and will be doing so on agency time; hence the Authority will make no payment to the instructor.
- (3) In return, the Authority shall pay for all recertifications required by the agency instructors. This shall be the payment of any costs not incurred by the National Academy of Emergency Dispatch, subject to the rules of Authority policy on conference funding.
